Excellence in healthcare solutions

Nursecare Personnel

is Tasmania's own nursing agency providing professional personnel to the healthcare industry

Our clients – Tasmania-wide

- Acute public & private hospital sector
- Regional multipurpose health centres
- Aged care facilities
- Business sector (corporate health screening programs)
- Registered nurses (RNs)
- Enrolled nurses (medication endorsed ENs and IV endorsed)
- Extended Care Assistants (ECAs)

"excellence in healthcare solutions" is not just our by-line:

At Nursecare Personnel we aim to be proactive, health industry leaders. We value:

Meeting needs: Understanding and meeting the individual staffing needs of each healthcare facility, promptly and effectively.

Respect: Respecting our employees by providing great employment opportunities and regular programs for professional development.

Ethical practice: Focussing on professionalism, integrity & confidentiality

Positivity: Value adding with a can-do attitude.

Innovation: Seeking new ways to do business and new business ideas.

Our services:

- Placement of appropriately skilled staff to meet your specific shift need.
- Short-term contracts – 2 weeks to 6 months
- All shifts - & tailored to your needs.
- Corporate health screening programs – health data, insurance assessments, health promotion programs, immunisation.
- Professional development programs for both our employees & our healthcare clients.

Our employee benefits:

- Referral bonus schemes & incentives
- Seasonal promotional offers
- Education calendar, **free** access to competency update modules
- Discounts on health insurance packages
- Travel discounts, shopping promotions, financial services – Australia wide
- Choice, variety & flexibility – of shift, facility, region – to suit your lifestyle!
- Tax & superannuation management
- Professional indemnity insurance cover
- Accreditation & infection control consultancy
- Affiliation with nationally accredited industry bodies – RCNA, ANF, RCSA/AANRA.
